About This Game

Civil War: 1861 covers the opening battles of the American Civil War. The game covers both the small and large actions of that momentous year, starting with the battle at 'Big Bethel', on to the comparatively vast engagements at 'Bull Run' and 'Wilson's Creek'.

In 1861 both sides have plenty of volunteer recruits who, though enthusiastic, lack battlefield experience. On the weaponry side much of the equipment still belongs to the Napoleonic Era with a plethora of muzzle loading, smoothbore artillery.

Many of the commanders, who most would identify as the leaders the civil war armies, are still junior officers in the engagements recreated in this game. Command the Union or Confederate forces in these key battles.

Can you change history? Good luck and on to battle!

KEY FEATURES

- Battles based on historic events.

- Play the missions as either Union or Confederate.

- 5 Unique Civil War Units:

    - Infantry with Muskets.

    - Infantry with Rifled Muskets.

+2	GENERAL WITH UNIT		+3	INFANTRY IN COLUMN VS LINE
+1	GENERAL ADJACENT TO UNIT			

Union 9th Indiana / 2

Very easy game. It does not simulate ACW warfare and is more of a 'shoot-em-up'. I will not be buying any more from this series based on this game.
